Ebola and Other Special Pathogens Simulation Training

October 19-20, 2017 | New York, NY
April 10-11, 2018 | New York, NY

Course topics:
- Hospital-EMS interface/patient handoff
- Healthcare worker rescue
- Spill management
- Barrier precautions
- Foley management
- Isopod management
- Specimen collection
OVERVIEW OF NETEC
The National Ebola Training and Education Center (NETEC) is comprised of faculty and staff from Emory University, the University of Nebraska Medical Center/Nebraska Medicine, and the New York City Health + Hospitals/Bellevue. All three of these healthcare institutions have safely and successfully treated patients with Ebola and have worked diligently over the past three years to share their knowledge with other healthcare facilities and public health jurisdictions.

ATTENDANCE & TRAINING GOALS
This Simulation Training (Training) is intended for direct care providers (MDs, RNs, Paramedics, EMTs, etc.) as it will provide information and hands on practice on several essential skills of caring for patients with Ebola and other special pathogens with a focus on providing safe and effective care in PPE.

Due to the simulation nature of this Training there is a 40 participant capacity.

EDUCATIONAL CREDIT
- **PHYSICIANS (CME):** The University of Nebraska Medical Center, Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

  The University of Nebraska Medical Center, Center for Continuing Education designates this live activity for a maximum of 11.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

  This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Nebraska Medical Center, Center for Continuing Education and the National Ebola Training and Education Center.

- **NURSING (CNE):** Emory Nursing Professional Development Center (ENPDC) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Attendees to this CNE activity will be awarded contact hours through ENPDC. The University of Nebraska Medical Center is a joint provider for this program.

  No conflict of interest has been found with the speaker for this CNE activity nor with the members of the planning committee.

- **EMS (CE):** The University of Nebraska Medical Center, Center for Continuing Education, EMS and Trauma Division approves this educational opportunity for 11.25 hour(s) of Emergency Medical Services Continuing Education.

TRAINING COMPONENTS
**Skills Stations in PPE**
Participants will work in groups of 2-4 to learn and practice different techniques and body positioning to reduce their exposure to bioburden at each of the following skills stations:
- Gaining peripheral IV access
- Specimen collection: blood, nasopharyngeal, and urine samples
- Foley management
- ISOPOD set-up and patient extrication
- Spill management

**Immersives in PPE**
Participants will be given life-like scenarios involving patients with Ebola and other special pathogens and asked to critically think through and apply their newly learned skills to:
- develop and test their plan to “rescue” a fallen colleague
- work with EMS to safely receive and hand off a patient

The NETEC recommends that attendees participate in their facility-specific PPE. To facilitate travel, confirmed attendees are encouraged to ship PPE to NYC Health + Hospitals / Bellevue prior to the training.

REGISTRATION
There is no tuition cost for this Training. No travel funding is available to participants from NETEC. Travel plans should not be booked until attendance confirmation is communicated to registrants by a member of NETEC. NETEC and its partners are not responsible for any losses incurred by registrants, including but not limited to airfare cancellation or hotel deposits. The information presented at both sessions is identical, with personnel from all three of the NETEC institutions as faculty.

Register for October 19-20, 2017: [Click Here]
Register for April 10-11, 2018: [Click Here]

LODGING & TRANSPORTATION
Details regarding lodging and transportation will be provided upon registration. Registrants must wait for confirmation of their attendance before booking accommodations.

TRAINING LOCATION
The Training will be held at NYC Health + Hospitals / Bellevue, 462 First Avenue, New York, NY, 10016.
# TRAINING AGENDA

## DAY 1 (8:00 AM to 5:30 PM)
